 **NOW MADE FROM (RPET)
RECYCLED PLASTIC**

**NOW MADE WITH
ECO-FRIENDLY rPET**

As we work towards offering 100% recycled products, you will see our eco symbol on the products that are made from rPET.

What is rPET?

rPET is recycled PET (polyethylene terephthalate) plastic that is used to make packaging such as bottles and food containers. After the original PET containers are used by consumers, they are returned via a recycling program to a facility that sorts, cleans, and transforms the plastic into rPET flakes or pellets that can be up-cycled into new products.

Eco-Packaging

Each umbrella arrives in a **recycled kraft paper** gift sleeve.

On one side of the sleeve is the message **WE CARE**.
